what do you want darling  
the waitress said  
2 the woman who huffed after

leaving her elbows  
on the bar she had  
a ponytail on her ponytail  
& pointed at the man  
sitting a few tables away  
see him, I  
want you to hold his head  
like you're about to whip  
up some cake batter  
in your lap and let me get  
two or three orgasms  
off his face

the beer label libel suit  
It's on the back  
I'll read it  
Because that's the way things go
